

The largest collection of Australian news sources

### **Easily research people, places, issues, events and more**

Featuring more than 580 news sources from across Australia, *Access Australia* is essential for any researcher whose work intersects with modern Australian history. This fully searchable online resource offers the complete text of thousands of news articles, editorials, obituaries, classifieds and more. Coverage for most titles starts in the 1980s, 1990s or 2000s and continues through the present day. *Access Australia* includes influential news sources from every state and territory, including:

THE  AGE The Daily Telegraph  
**THE AUSTRALIAN**   
The Canberra Times <sup>The</sup> Courier Mail  
The Advertiser **Herald Sun**  
The Sydney Morning Herald

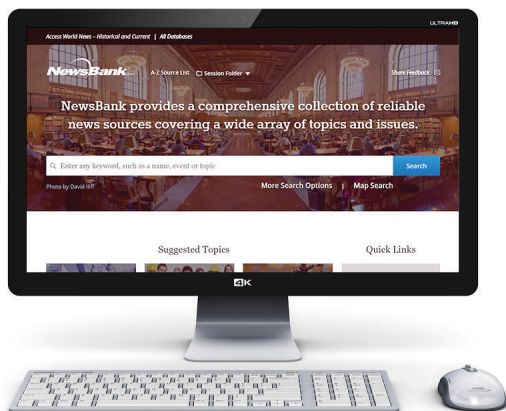

## Image Editions now available

Three Image Editions - the full digital replica of the newspaper - are now available as an extra subscription. Titles include *The Sydney Morning Herald*, *The Age*, and *The Canberra Times*. Image Editions are also integrated with full-text and online-only content for seamless searching of comprehensive local coverage.

## A new interface

NewsBank's redesigned interface makes it easier than ever for researchers to search, browse and filter content in this vast collection.

## Benefits include:

- All-in-one search results allow users to cross search text articles and image articles simultaneously
- A single search box designed for intuitive searches as well as advanced Boolean search options
- Mobile-optimised interface for use on any device
- Familiar, easy-to-use tools for viewing, downloading, saving, printing, emailing, citing and creating alerts
